EDUCATION

Universita' degli Studi di Genova, IT	BEng Nautical Engineering	2015 – 2020
Shipbuilding (A+B+C), Naval systems, Naval architecture, Yacht Stability, 3D industrial design, Physics, Hydrodynamics		
Final Project: "Project design of a 48 ft sailing boat"		

Istituto Tecnico Navale, IT	Nautical Technical Institute	2010 – 2015
------------------------------------	-------------------------------------	--------------------

ADDITIONAL INFORMATION

Tech Skills: I got myself familiar with ways to scan and analyze sails' shape. I actually developed a way to analyze sails by just using my tools, I don't need any sailmaker software. I really enjoy testing and developing better rigging setup.

Languages: Italian (Native), English (Fluent)

Achievements and Interests:

- Rotaract Club Argentario (Rotary Club's young division), Italy
 - Patent attorney in Italy
